

Euroset 5030

Description

Simple and reliable – a Euroset phone is the perfect assistant for your home or office.

Enjoy a range of telephones based on state-of-the-art technology that will work for you and let you communicate more efficiently.

Euroset phones are easy to use and deliver all the reliability you'd expect from Siemens. Designed to withstand even the most challenging conditions, Euroset phones will continue to work even if there's a power cut. They are also easy-to-install and are renowned for exceptional tone quality.
